

New Volunteer Village Agent for Hampstead Norreys

‘A face to face community’s signposting scheme’

Kaye Broom is Hampstead Norreys new Village Agent. Village Agents are part of a West Berkshire-wide scheme run by the Volunteer Centre in Newbury and supported by West Berkshire Council, providing good quality information and guidance about services in our area to help people maintain independence in their homes. The aim is to help put older and/or socially isolated residents in direct touch with community, voluntary or statutory agencies on subjects such as housing, pensions & benefits, personal safety, fire safety, transport, social care, leisure, health care and trading standards. I can make the phone calls if needed to get things going and I will also be able to give out food vouchers for those in food crisis. Nothing is too big or too small. Please contact me on my mobile 07724 668599 or contact Gill Comley, Village Agent Co-ordinator at the Volunteer Centre, Newbury on 01635 49004 or 07775 366812 or email gillian@vcwb.org.uk

Or view our website www.villageagentswb.org.uk

‘Village Agents are the people to ask when you don’t know who to ask’
