

Hampstead Norreys Village Hall Appeal

NOTICE

The village cricket club is raising money towards the Village Hall Appeal by means of a “scrap metal” collection.

If you have any scrap metal that you wish to get rid of you can now deposit it yourself in one of the two containers that have been placed on the right-hand side half way down the track leading from the Village Hall to the Betts’ farmyard.

Please deposit any copper, lead and car batteries in the wooden crate provided and all other metal into the large blue skip.

Anyone requiring assistance contact David Barlow via email **only** on dbarlow@email.com He will arrange collection after from Monday 29th July as he is away until this time.

If you have previously made contact with him he will be in touch to arrange collection.

Many thanks for your support.
